

BS 18 A

DATASHEET

One Way Painted Wooden (Playwood) Active Subwoofer

DESCRIPTION

The STI BS 18A drivers, delivering up to 1600W of peak system power via Sti's ultra-efficient Class-D, Fast-Recovery; amplification. These compact, all-wood construction subwoofers are ported, direct radiating designs for maximum punch and unparalleled low frequency extension. Featuring custom, high output, low frequency transducers. Experience the power and clarity of a completely optimized and perfectly tuned system. Class-leading power, precision crossovers, phase and driver time alignment and patented acoustic correction processing work in harmony to create high-definition sound that was previously only found in high-end stadium touring systems. Simply put, BS Series loudspeakers deliver unmatched power and unparalleled sound quality in designs that are not only rugged and user-friendly they are an extremely cost-effective solution for professional applications.

Frequency Responce	38Hz-300KHz
Impetoce	8Ω
RMS	800W
Peak Power	1600W/5Min
Sensitivity	98 dB (2.83v/m)
Sensitivity Max.	130 dB
Woofer	18" 125 Oz 4"Vc
Size (HxWxD)	
Weight	50kg
