DATASHEET

### 2 Way Ceiling Speaker

#### DESCRIPTION

The Sti Brand is well known because of it's durable, long lasting, nonperishable and perfect sound quality 100V speakers. In Turkey when you go to a mosque, shopping mall, govermental buildings, Pubs vs. it is probably that you see Sti speakers installed. Thanks for our R&D department every year we add at least 5 kind of new speaker to our product line. Near the end of 2019 some of the spekers are started by us to be produced in Turkey. Our target is making all of the series on our factory at the end of 2022. Sti has long range of ceiling speaker line starting from one way 5" to 8" two way.
