

HS 18 A

DATASHEET

One Way Active Carpet Coated Subwoofer Speaker

DESCRIPTION

The STI HS 18A drivers, delivering up to 1200W of peak system power via Sti's ultra-efficient Class-D, Fast-Recovery; amplification. These compact, carpet coated wooden construction subwoofers are ported, direct radiating designs for maximum punch and unparalleled low frequency extension. Featuring custom, high output, low frequency transducers. Experience the power and clarity of a completely optimized and perfectly tuned system. Class-leading power, precision crossovers, phase and driver time alignment and patented acoustic correction processing work in harmony to create high-definition sound that was previously only found in high-end stadium touring systems. Simply put, BS Series loudspeakers deliver unmatched power and unparalleled sound quality in designs that are not only rugged and user-friendly they are an extremely cost-effective solution for professional applications.

Frequency Responce	38Hz-300KHz
Impetoce	8Ω
RMS	600W
Peak Power	1200W/5Min
Sensitivity	98 dB (2.83v/m)
Sensitivity Max.	128 dB
Woofer	18" 100 Oz 4"Vc
Size (HxWxD)	
Weight	45kg
