TWO WAY WOODEN (Playwood) AKTIF STAGE MONITORS

DESCRIPTION

The TR Series takes portable loudspeakers to the extreme limits of their potential. Output levels pushed to the highest sound pressure levels possible, yet in cabinets that are lightweight and compact. Sound resolution remains superb, no matter how hard or for how long the speakers are driven. Designed by applying our leading-edge digital and acoustic technologies developed over decades, the TR Series provides a listening experience that re-defines high definition sound reinforcement.

For loudspeakers you can count on to deliver the musicality and sound that will thrill audiences night after night, let the TR Series power your performances to incredible new heights.
